• Students remain in attendance for the duration of class, except in an emergency.

• Students display name tents.

• Electronic devices are turned off.
MBA Program Office Attendance Policy

Religious holidays during which classes are scheduled will be excused for observant students. GRADES MATTER

We Recognize Academic Performance
Grading System

- Courses are graded on a letter grade system of A through F.
- Classes with an MBA enrollment of 20 or more, the GPA must not be greater than 3.33.
- F grades do not earn credit toward graduation.
- Pass/fail option: Students can take up to 1CU per semester on a pass/fail basis. Passing grades are not included in GPA calculations and are not eligible for LT designations but failing grades are included.
- Students who withdraw from a course after the semester has begun may received a grade of W (Withdrawn) on their transcript. A course can not be dropped once the last class took place.
Minimum Academic Standards
