Note: To create personalized academic planning worksheets, students should log in to Penn InTouch at [https://medley.isc-seo.upenn.edu/penn_portal/intouch/splash.html](https://medley.isc-seo.upenn.edu/penn_portal/intouch/splash.html).

*While many colleges and universities list the weight of their courses in credits, Penn uses a course unit (CU) system. Most courses at Penn are worth 1 CU (with the exception of lab courses, which are typically worth 1.5 CUs, and mini-courses, which are worth 0.5 CU).*

† Students may use no more than 1 CU of AP/IB credit within each General Education Distribution category: Social Structures; Language, Arts & Culture; and Science & Technology.
